Re: *Nwosuocha v. Glover II et al.*, No. 1:21-cv-04047-VM

Dear Judge Marrero:

The undersigned writes the Court on behalf of Plaintiff Emelike Nwosuocha (“Nwosuocha”) to advise the Court as to a confirmed courthouse systems error affecting **Exhibit A** (ECF No. 1-1) to the Complaint filed by Plaintiff in this action. Specifically, as confirmed to the undersigned’s office this afternoon in a phone call with staff member Gladys of the Court’s Case Openings department, a systems error is apparently causing some computers (including a number of those used by personnel within the Court’s ECF Support and Computer Systems departments) to be unable to access **Exhibit A** from the docket, while other computers within the Court’s system seem to be able access **Exhibit A** from the docket without incident. The Court’s Cases Openings, ECF Support, and Computer Systems departments have confirmed that the issue affecting **Exhibit A** is not a filing issue, but rather a “browser issue.”

Despite that the issue has been confirmed to be a systems issue, rather than an issue with Plaintiff’s filing, out of an abundance of caution, and pursuant to advice given to the undersigned’s

office by Gladys of the Case Openings department, the undersigned will again file **Exhibit A** onto the docket in the form of a Notice of Exhibit. Plaintiff will file that **Notice of Exhibit A** directly subsequent to the filing of the within.

Respectfully Submitted,

/s/ Imran H. Ansari
